

Urban Areas Security Initiative

RESILIENCE **NW** 2012

The Premiere Citizen Preparedness Conference in the Northwest

Oct. 30-Nov.1
LONG TERM
RECOVERY
THREE DAY WORKSHOP

Recovery is one of the areas in disasters where citizens can AND DO offer the most assistance and have the greatest impact. Work with and learn from some of the most experienced recovery work professionals from across the country in this indispensable 3-day Long Term Recovery Workshop.

October 30th, 31st and November 1st

AFTER THE DUST SETTLES: LONG TERM RECOVERY

Tuesday, October 30 - 8AM to 5PM

Long Term Recovery Case Management Training

This workshop will guide participants in thinking about how to assess their organizational capacity as it relates to building relationships with Long Term Recovery Groups.

Wednesday, October 31 and Thursday, November 1 - 8AM to 5PM

- Committee Development for Long Term Recovery.
- Recovery Needs Assessments.
- Partnering with the Coordinated Assistance Network (CAN).
- Fundraising, Contributions and Fiduciary Responsibilities.
- The Role of Local Government and Business Community in Recovery.
- Lessons Learned in Building Recovery Partnerships.
- Coordinating Skilled and Unskilled Labor, Managing Recovery Supplies, and Warehousing and Distribution.
- The National Disaster Recovery Framework.

Sign up today for the Long Term Recovery Workshop for \$20 at www.ResilienceNW.org and attend additional classes and events for free! All classes at the PDX Airport Holiday Inn.
